STYLE MADE VERSATILE

The rear seats split 60/40 to allow for large or awkwardly shaped items, while folding down both rear seats creates a large, virtually flat-floored space. All your personal items have a place with plenty of useful storage.

CONFIDENCE-INSPIRING SAFETY

*Mazda Fuel Consumption and Emissions figures are based on ADR 81/02 test results under the NEDC test programme. This data is useful in comparing the fuel consumption of different vehicles, however it may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions, accessories fitted and how the vehicle is driven.

Please note that from December 2021 the NZTA has standardised the reporting of all Fuel Consumption and Emissions data based on 3-Phase WLTP, using a formula to convert NEDC to 3P-WLTP. This data will appear on websites such as Rightcar and Fuelsaver.
